THE BOOT – THIS SEASON'S ABSOLUTE ESSENTIAL

The new season means new fashion options with beautiful colours, styles and – best of all – an excuse to go shoe shopping! So put your most stylishly-shod foot forward at Woolworths with these three key trends. Your feet will love you!

THE RIDING BOOT

Sleek, versatile and hot off the runway, the riding boot works well with everything from skinny jeans and a trench to a printed folk dress or bright maxi skirt. Opt for butter-soft leather, a low heel and standout details like gleaming buckles.

THE ANKLE BOOT

A firm favourite, the ankle boot adds a trendy edge to any look. Wear it to amp up a pencil skirt and ruffled blouse, punk up a sexy LBD, or smarten up skinny jeans and a boyfriend cardigan.
